

TO WHOM IT MAY CONCERN

We hereby confirm that Masters Consultancy is an accredited reseller for Burncrete's products in Walvis Bay, Namibia.

Burncrete has been in existence since 1967. The company's core business is the supply of lifting, rigging, pulling and lashing equipment.

All steel wire rope, steel wire rope slings, rope accessories, grade 80 & 100 chain, grade 80 & 100 chain slings and chain accessories are marketed under the trade name Vitalift. Our other brand names include Green Pin, Tiger, Thiele, Haru, Maxihoist, Maxilift, Maxipull, Maxiwinch, Maxigrab, Maxiclamp, Maximag, ARM, PAT NGK, Duke, Ilula, Rolacrawl, Fitop, Talurit and Van Beest.

Our products are sourced from factories around the world, which have been investigated by ourselves and are fully compliant with ISO regulations and registered with major shipping registers such as Lloyds Register of Shipping and the American Bureau of Shipping. We also have in-house testing facilities and random tests are regularly carried out on our full range of products.
